

News release

Cornelia Gorski

Head of Global Human Resources at Bayer HealthCare's Animal Health Division

(Biography)

Leverkusen, October 1, 2008 – Cornelia Gorski was appointed Head of Global Human Resources in the Animal Health Division of Bayer HealthCare effective October 1, 2008.

She studied business economics (Betriebswirtschaft) at the University of Bamberg, Germany, graduating as an MBA (Diplom-Kauffrau) in 1996.

Ms. Gorski started her career in January 1997 as assistant for personnel development at the energy company RWE Entsorgung in Kiel. In late 1997, she joined BMW Rolls-Royce Germany, headquartered in Oberursel and Berlin, where she worked as personnel assistant for fundamental issues until September 2000. Ms. Gorski then transferred to the pharmaceutical company Schering AG, where she worked as assistant to the Head of Human Resources at Schering headquarters in Berlin until April 2002. She was then appointed Head of Personnel Support Infrastructure at Schering's Bergkamen plant.

In May 2005, Ms. Gorski was appointed Head of Human Resources at Bayer Schering Pharma AG, headquartered in Berlin. In this capacity, she played a crucial role in the integration process between Schering and Bayer HealthCare.

About Bayer HealthCare

Bayer HealthCare, a subsidiary of Bayer AG, is one of the world's leading innovative companies in the health care and medical products industry. The company combines the

activities of the Animal Health, Consumer Care, Diabetes Care, and Pharmaceuticals divisions. Bayer HealthCare's aim is to discover, develop, manufacture and market products that will improve human and animal health worldwide.

With sales of €956 million (2007), the Animal Health Division is one of the world's leading manufacturers of veterinary drugs. The division produces and markets approximately 100 different animal health and care products worldwide for livestock and companion animals.
